## **Policies and Procedures**

I understand that all dogs over the age of 5 months must have all core vaccines (DHLPP), Bordetella (kennel cough) plus Rabies. Puppies under 5 months must have at least two full sets of puppy vaccines. All dogs regardless of age must be on a flea/tick preventative and have a clean fecal yearly.

I understand that services/classes are not reserved until a deposit, equal to half the class has been paid. The remaining is to be paid at the beginning of the first class/session. Should I wish to withdraw my reservation before the start of the class, I will receive a full refund if I request it two weeks before the class starts. If it is within 2 weeks of the first class date, all will be returned except for a \$35.00 processing fee.

**WAIVER, ASSUMPTION OF RISK AND AGREEMENT TO HOLD HARMLESS** I (we) understand that the attendance of a dog training class, playgroup, or open boarding is not without risk to myself, members of my family, guests who attend, or my dog, because some of the dogs to which I (we) will be exposed to may be difficult to control and may be the cause of injury, even when handled with the greatest amount of care.

I (we) hereby waive and release Christi McKeen, her employees, property owners and managers from any and all liability of any nature, for injury or damage resulting from the action of my dog, or any other, and I (we) expressly assume the risk of any such damage or injury while attending any training session or other function of Christi McKeen's, or while on the training grounds, and the surrounding area.

I understand I am solely responsible for any harm the dog(s) may cause to self, trainer, property, other humans or other animals. I understand it is my responsibility to keep my dog(s) under control at all times. I understand all dogs learn at a different rate and that training is an on-going process. I must keep up the training process on my own or dog(s) may revert to previous behavior.

I understand I am responsible for representing dog(s) in a truthful manner, particularly about any dangerous, destructive, or unpredictable behavior, so that the trainer has full knowledge in order to train appropriately.

**To the very first class/Playgroup/Boarding, please bring a copy of all current vaccines, including Rabies and Bordetella, and proof of a clean fecal. Please have all dogs arrive and leave on 6' leashes. NO flexible leashes!**
